Subject: Our river needs a responsible cleanup

We need a river cleanup plan that supports our environment.

I want to see the EPA support a clean river.

The Portland Business Alliance does not speak for me. Cleaning up the river is priority. Cleaning up the river would create jobs too.

The Oregonian quote says that harbor industries are picking up the lion's share of the tab for the cleanup, that's because they are responsible for the pollution in the first place.

Sincerely,
